**We think we know so much, God. We think we know how the world works. We think we know how you work. When we speak without knowledge; when we question what we cannot understand; when we force you into a box we can comprehend, forgive us, Holy One. When we forget your call to serve one an-**

other; when we place our own needs before the needs of others; when we expect you to do whatever we ask, forgive us, we pray. Free us from the tyranny of our assumptions and the prison of our expectations, that we may follow as your people, remembering that you alone are God. (Silent Confession)
