About. The organized unit of United Methodist Women shall be a community of women whose purpose is to know God and to experience freedom as whole persons through Jesus Christ; to develop a creative supportive fellowship; and to expand concepts of mission through participation in the global ministries of the church.

All women of the church are already members of United Methodist Women.

Purpose. The purpose of this series is to engage Women in a deeper study of the purpose and power of prayer in relation to faith, family and other relationships.

Objectives.

- Discovering the power of prayer within the context of a small group
- Expanding participants' understanding of spiritual warfare
- Developing strategies to battle the real Enemy through prayer
- Digging deeper into the spiritual discipline aspects of prayer
- Creating opportunity for study among both inexperienced Bible study students and those well-versed in Scripture
