# KENNETT CHRISTIAN ACADEMY STUDENT HANDBOOK

## HISTORY

Kennett Christian Academy was established in 1979 by the body of the First United Pentecostal Church in Kennett, Missouri, under the direction of then pastor, Rev. J. D. Langford. The school is a ministry of the local church body and is supported as such.

K.C.A. has been in continuous operation for 39 years.

## PURPOSE

The purpose of Kennett Christian Academy is to provide a quality education for the children we serve. This is not a school to reform or correct inappropriate behaviors and attitudes, whether they are a result of problems in the home environment or a result of bad school and peer influences prior to enrolling. Attendance at this school is a privilege, not a right.

Our commitment is that the children entrusted to our care will receive a quality education taught from a Biblical perspective. We will teach about America's Christian heritage and the qualities that have made her people great. A high priority will be given to teaching respect for those in authority, obedience to law, and self-discipline.

Since attending K.C.A. is a privilege, and not a right, each student is expected to practice good Christian and moral values in his/her daily living, both in school and out of school. Regular church attendance is expected of each K.C.A. student.

## STATEMENT OF FAITH

1. **We believe** the Bible to be inspired of God, the infallible Word of God, and the only God-given authority which man possesses; therefore, all doctrine, faith, hope, and instruction for the church must be based upon, and harmonized with, the Bible (II Timothy 3:16; I John 2:27).
2. **We believe** in one everlasting, eternal God, infinite in power, holy in nature, attributes, and purpose, Who possesses absolute, indivisible deity. This one true God, our Heavenly Father, has revealed Himself as Savior to the world through His Son Jesus Christ and to and through the Church as the Holy Spirit (I Timothy 3:16; Ephesians 4:4-6; I Corinthians 8:6; II Corinthians 5:19).
3. **We believe** that God revealed His name to the world in Jesus Christ, and that all the fullness of the Godhead dwells in Jesus Christ (Acts 4:12; Colossians 1:19, 2:9; John 14:7-11).
4. **We believe** that in the beginning God created all things, and that He created man innocent, pure, and holy; but through the sin of disobedience, Adam and Eve, the first of the human race, fell from their holy state and were in need of a Savior (Romans 3:23; Genesis 1:27).

5. **We believe** in Christ's virgin birth, in His vicarious and atoning death, in His resurrection from the dead, in His ascension, and in His personal return for His Church.
6. **We believe** that salvation is offered to all who completely trust and rely on His grace by showing obedience to the simple yet profound plan of salvation as put forth in His Word, which is: sorrow for and turning from sin, baptism in water by immersion in the name of Jesus Christ for the remission of sins, receiving the Holy Spirit with the evidence of speaking with other tongues as the Spirit gives utterance (Romans 14:23; Luke 13:3; Acts 2:4; Ephesians 1:4; I Peter 1:15-16).
7. **We believe** that godly living should characterize the life of every believer, that we should live according to the pattern and example given in the Holy Scriptures (Titus 2:11-12)

K.C.A. embraces this doctrine. However, students of all faiths are welcome to further their education at Kennett Christian Academy.

K.C.A. does not discriminate in regard to sex, race, color, national, or ethnic origin in its admission policies.

## **STANDARDS OF CONDUCT**

Students of Kennett Christian Academy are expected to refrain from talking about or engaging in cheating, swearing, smoking, gambling, improper music and entertainment, drinking alcoholic beverages, using or talking about narcotics, and deviant or sexual behavior. Students who participate in such activities, both at and away from school, are subject to suspension.

Students are expected to act in an orderly and respectful manner, maintaining Christian standards in courtesy, kindness, language, morality, and honesty. Students must agree to strive toward unquestionable character in dress, conduct, and attitude. Students in 7<sup>th</sup> Grade or above will need to agree to and sign a copy of the Standard of Conduct form.

## **ADMINISTRATION**

The Senior Administrator/Active Principal of Kennett Christian Academy is the Senior Pastor of the First United Pentecostal Church. The Senior Pastor is Rev. Donald Sheerin.

Kennett Christian Academy is governed in its daily activities by the Principal/Administrator, the Assistant Principal and Supervisors of each level of learning. Policies are adopted by a school board composed of a select group of members of the local congregation.

Any matter of concern should be presented to the Principal for resolution of the matter. If no resolution is forthcoming then an appeal may be made to the school board for a hearing of all parties concerned. Any decision made by the school board will be considered final.

Policies of Kennett Christian Academy are adopted by the school board at its regular monthly meetings and implemented by the principal and staff of the school. These meetings are closed to the public unless a hearing has been scheduled in advance for the purpose of resolving a particular issue.

## ADMISSIONS

Kindergarten—Any child wanting to attend Kindergarten must be five years of age by September 1 of the starting year. However, if a student's birthday is close to September 1, an exception can be made to this rule with the approval of the principal. The child will need to pass the *ABCs with Ace and Christi Pretest* with a score of 80% or above in order to be considered for Kindergarten.

A copy of the birth certificate and shot records should be furnished at the time of enrollment.

Kindergarten classes are only half-day sessions and are currently held in the morning. Since Kindergarten classes are only half-day sessions, no Kindergarten student will be allowed to stay all day.

Special Needs—All children with “special needs” will be evaluated on an individual basis and admission will be determined by the academy's ability to meet the child's needs.

Transfers—Any student transferring from another school must submit a transcript from their former school for evaluation. Students transferring from any other school other than one using A.C.E. will not automatically be placed in the same or next grade. Progress through school depends upon what has been learned (the student's level of achievement). Testing will be used to determine the appropriate grade level and each student. A diagnostic test in math, English, and reading will be required and each student will be placed according to the results of the test at the proper grade/PACE level.

A copy of the birth certificate and social security card are to be submitted at the time of admission.

Immunization—All students attending school in the state of Missouri must comply with requirements for immunization. Verification of immunization must be in the student's cumulative folder before the student enters school.

Communicable Diseases—To protect other students from contagious illnesses, students infected with contagious diseases are not allowed to attend school while contagious. Parents of a student with communicable or contagious disease should phone the principal so that other students who might have been exposed to the disease can be alerted. Call (573) 888-2520.

## WITHDRAWAL POLICY

Any student may withdraw from K.C.A. for any reason. However, the account must be in good standing for a transcript to be sent to another school.

## GENERAL POLICIES

School will convene each morning at 8:30 a. m. and will dismiss at 3:30 p. m. Monday through Thursday.

Attendance—Regular attendance is expected at K.C.A. and enforcement by the parents is to be provided. A written excuse, signed by the parent, must be presented to the supervisor upon returning to the school after an absence.

All doctor/dental appointments should be scheduled after school hours or on Friday or Saturday, if at all possible.

A student who accumulates four (4) unexcused absences in one quarter will, along with his/her parents, have a meeting with the Principal to discuss the problem at hand. If the problem is not resolved, after six (6) absences, a three (3) day suspension will result. If the problem is not solved after nine (9) absences, the student will be subject to expulsion.

A call from the parent will be considered an excused absence for the first day. Any additional days will require a doctor's excuse in order to be excused.

Tardiness—Each student is expected to be on time at school each session. A demerit will be issued if the student is tardy. Excessive tardiness will not be tolerated.

Scripture Memorization—Each student must complete (quote) the scripture memory assignment. Failure to do so will result in twenty (20) minutes of detention time for each school day that follows and it remains incomplete.

Lunch—Each student is responsible for bringing his/her own lunch each day and given to the supervisor for safekeeping and refrigeration, if needed. A microwave oven will be available for the students' use but only supervisors are allowed to operate the microwave. Older students may operate the microwave under the supervision of the supervisor.

Emergency School Closing Information—In case of an emergency school closing, the following radio/television stations will be notified:

KBOA radio—Kennett: 1540 AM & 105.5 FM on the radio dial  
KAIT television—Jonesboro: Channel 8

Drills: Fire, Tornado and other emergencies—From time to time students and supervisors will participate in drills of emergency procedures. When the alarm is sounded, or stated, students should follow the direction of supervisors quickly, quietly, and in an orderly manner.

Leaving School Early—Leaving school early for any reason is discouraged but, if necessary, a written request must be presented to the principal or supervisor. No student will be permitted to leave without this request.

Dress Code—Students of Kennett Christian Academy are required to wear a specified uniform as chosen by the administration. The dress code is found on page 20.

The purpose of the uniform is to present a standard of uniformity and discourage any discrimination that may occur between the students.

Chapel—Chapel service is held each Wednesday in the afternoon. All students are required to attend chapel.

Visitors to the campus—Any person wanting to visit the school for any reason should receive approval from the principal or assistant principal before making contact with a student.

Parental Role—Parents are encouraged to play an active role in your child's educational endeavors and progress. Should a question arise, a conference can be scheduled with a staff member to clarify a situation, when needed. You may call the school at (573) 888-2520.

Student Vehicles—Students with a driver's license may drive to school, but must adhere to all vehicular rules prescribed by K.C.A. Any student wanting to drive must submit a permission slip, signed by his/her parents, to the school office to be filed in the student's folder.

No student can be in his/her vehicle except when arriving or leaving the premises, unless special permission is granted by a supervisor. No students are permitted to ride with another student unless the school receives written permission from the parent.

## **ACADEMIC POLICIES**

Kennett Christian Academy is committed to academic excellence and strives to maintain the highest levels of learning. It is also expected of each student to strive for excellence. Any student producing less than his/her abilities will be pushed individually by his/her Supervisor and the Principal/School Administrator. Anything less than a students' best effort is not acceptable.

Curriculum—The core curriculum for Kennett Christian Academy is the PACE format, provided by Accelerated Christian Education, the pioneer in individualized, Christian education since 1970. This core curriculum provides students with academics, skill building, reading practice, character and wisdom training, and knowledge of God and His Word. This complete package begins with reading development and progresses through high school, giving students a solid foundation for pursuing their life goals.

Students who are more skilled may progress at a faster rate or may accelerate in the areas of their academic strengths. Slower students are encouraged to do their best but are able to work at their levels of proficiency and proceed as they are capable.

Each core subject consists of 12 PACEs per level. Typical students work daily on one PACE in each subject and may be performing at varying levels. The diagnostic test results help to identify academic weaknesses and prescribe a path to help students catch up.

Students are required to score an 80% or better before moving to the next PACE or level insuring the pupil will not have any gaps in their education.

Core subjects in PACEs are: Math, English, Social Studies, Science, Word Building, Literature & Creative Writing (Levels 2-8), and Bible Reading (Levels 1-6)

The Horizons series, published by Alpha Omega Publications, is used for Kindergarten. A hands-on curriculum teachers love, Horizons consists of colorful workbooks that ground students in math and reading fundamentals. Fast-paced and spiral-based, this teacher-led curriculum introduces children to new concepts with engaging lessons that are easy to teach and fun to learn. Subjects are Math and Phonics & Reading.

Senior High School—Every student should be classified on the college preparatory track until cumulative evidence (regarding mental aptitude, home circumstances, age, diagnosis, etc.) substantiates the impracticality of pursuing a college-bound course of study.

Even then, the student should aspire to attain the highest possible academics even if it may take more time. There is nothing wrong with a student attending high school more than four years, if needed, to complete the necessary requirements. Academic excellence should be the goal of each student!

Class Load—A student should expect to spend a minimum of eight semesters in high school in order to complete the requirements for graduation. However, with the approval of the principal, exceptions can be made to this requirement.

A normal course load is six subjects per semester, but exceptions can be made with the approval of the principal.

Grading Scale—All grades at K.C.A. are recorded as percentages and are assigned the following letter grades:

A=94-100%

B=88-93%

C=80-87%

I=Incomplete

Honor Roll – At the end of each quarter and semester, an honor roll is selected by evaluating each student's progress. Requirements are:

1. At least three stars (PACEs) per quarter in each academic subject—Math, English, Social Studies, Science, Word Building/elective.
2. Each monthly Scripture memorized.
3. A total PACE test average of:

Principal's Honor List—94-100%  
Honor Roll—88-93%

Progress Reports—Progress Reports showing a student's progress will be sent home each quarter (nine weeks) for the parents to view. After viewing, the parent should sign the card and return it to the school.

A parent/supervisor conference is available to parents who want to contact the principal for an appointment.

Awards Night—Kennett Christian Academy will conduct an awards ceremony open to the public where students will be recognized for outstanding scholastic achievement in various areas. Recognition of students in other areas may be given as the Principal deems proper and fitting. This ceremony will be held in conjunction with the Kindergarten graduation ceremony.

Standardized Tests for College Admission—Most colleges require either the American College Test (ACT) or the Scholastic Aptitude Test (SAT) for admission. Students are encouraged to talk with the Supervisor or Principal during their junior year to determine the appropriate exam to take. Entrance exams are usually taken at the end of the junior year.

## **LEARNING CENTER RULES**

### General

A student is not permitted to communicate or be out of their office without permission. They should not turn sideways or around in office, tip back in their chair, or spin in their chair.

Activities not related to prescribed material are not to be conducted in an office unless privileges have been earned.

The Christian flag should be raised for supervisor guidance in academic difficulties. The American flag should be raised for monitor assistance in nonacademic activities (checkout reference book, use rest room, use computer, etc.). Personal questions should be asked at break time.

A leak-proof water bottle may be used at the student's office.

Student Offices—Student workspaces are called offices. Offices are assigned and only changed by the supervisor. They must be cared for by the student.

Approved background material for the bulletin board may be brought in by the student.

Anything placed in office must be approved by the supervisor.

Students are not to lean or sit on office or divider.

Electrical outlets are for approved school equipment only.

A Progress Chart is also placed on the student office bulletin board. No marks are to be made on it. (A fee is charge for a duplicate.)

Goal Card—The Goal Card is to be kept up-to-date; blue pen is to be used in setting goals. Goal Card is placed on student’s office bulletin board.

The student should keep their Goal Card posted on his or her bulletin board.

The student should set the exact page numbers of the work for that day.

The student should cross off completed daily goals when they have been scored and corrected.

Changes to goal card can only be done by the supervisor.

PACES—PACES are private property and are not to be shared among students.

After a PACE is complete, the student waits until the following school morning before receiving the Test. They will wait until the subsequent school morning before receiving Test results and a new PACE.

PACE work is to be done in pencil.

Calculators are permitted in the Learning Center only at the supervisor’s discretion, but are not allowed before Math PACE 1075.

Score Station—Score keys are to be handled carefully.

Mark a red “X” beside each wrong answer. (This indicates to the supervisor that you may need help.)

If working on a PACE that has a score strip, put a red “X” in the first box of the score strip.

Use only a red pen supplied at score table (red pens are never kept at office.)

Score Key answers are for scoring work only.

Correct wrong answers in pencil at office.

If working on a PACE that has a score strip, put an “X” in pencil in the second box of the score strip.

Rescore: circle each red “X” in red when the answer is correct.

When scoring is complete, put a red “X” in the third box of the score strip.

Replace pen in holder.

Replace Score Key in proper place every time you leave the score table.

Test Table—After the PACE is completed, scored, restudied, and turned in, the Test is issued the following school morning. Tests are administered at the Test Table.

Homework—The responsibility for scholastic achievement is placed on the students. Most students should not need to take academic work home. The goals set by the student and reviewed by the supervisor usually are no more than the student is capable of completing during the day. Should the student not meet their goals for that day, they will be required, at the discretion of the supervisor, to complete their work at home or after school in the Learning Center. Should the student have homework, a Homework Slip giving the pages to be completed will be sent home with the student. The slip is to be signed by the parent and returned the following day. No resource books may be taken home without supervisor's permission.

If homework is not finished, the student will be given a demerit for each incomplete goal. Should the student encounter circumstances beyond their control which make it impossible for the student to get his/her homework finished, the parent should write a brief note of explanation on the homework slip for consideration in regards to issuing demerits.

Congratulations Slips—Every time a student receives a PACE star, they are given a Congratulations Slip which they take to their parents to inform them of their achievement. Parents have an excellent opportunity to encourage the student and compliment the student at this time.

## **FINANCIAL INFORMATION**

Registration—A registration fee of \$25 and a testing fee of \$25, if necessary, is charged to each student enrolling at Kennett Christian Academy and is due at the time of registration. The fee covers the costs of registration, diagnostic tests, etc. and is non-refundable.

Tuition—A basic tuition fee is charged for enrollment and is payable in ten monthly installments. Tuition is due on the 10<sup>th</sup> of the month.

The Principal can answer any questions you may have about this program.

Late Payment of Tuition—The parent or guardian of any student who is two months behind on payment of tuition must schedule a meeting within seven days of due date with the principal of K.C.A. to work out a satisfactory payment plan for the student to remain in school. Failure to do so will lead to financial probation and student will not be allowed to attend classes.

If no agreement is reached, parent or guardian may appeal to the Board of Education for a hearing to work out a plan of action. Any action taken by the school board will be final.

The principal may be contacted by calling (573) 888-2520.

## **DISCIPLINE**

Kennett Christian Academy is not a corrective institution. Consequently, we ask that parents do not enroll their child with the idea that we will reform him/her. We are here to work with the home, but not to take the place of parents who have experienced difficulty in fulfilling their roles.

One of the main objectives of Kennett Christian Academy is to help students to develop high standards and form a firm foundation for Christ-like character. In keeping with this aim, K.C.A. expects high moral standards and sets before each student definite Christian principles.

In the process of character development there are times when it is necessary to take disciplinary action. The administration believes that proper and effective discipline is a cooperative venture between the home and the school. When each realizes this important fact, problems tend to be minimized. However, the administration reserves the right to administer any type of punishment deemed necessary for infractions of the rules at K.C.A.

Students must at all times conduct themselves in a manner becoming a Christian. Griping is not tolerated!

If a student does come home complaining about a policy or discipline, we ask parents to follow this procedure:

1. Give the staff the benefit of the doubt.
2. Realize that his reporting is emotionally biased without all the information.
3. Realize that we have reasons for all rules and that they are enforced without favor.
4. Support the administration and call us for all the facts.

### **Demerits**

The paramount rule in the learning center is, "Do Not Disturb." Any disturbance in the learning center earns the student a demerit. Demerits are used as a tool to inform a student that they are not following the rules correctly. Demerits are also given when minor offenses to the rules are committed. Since these offenses are minor, we issue demerits to jog the students' memory and remind them of the rules. Any student acquiring three demerits within a day must then serve a detention.

If demerits are ignored and offenses are repeated beyond a reasonable amount of time, the supervisor may, at their discretion, issue an automatic detention to the student.

### **Detention**

If a student's behavior earns them more than three demerits or an automatic detention, that student will be required to serve a time of confinement.

Three demerits	=	20 minutes
Four demerits	=	30 minutes
Five demerits	=	45 minutes
Six demerits	=	1 hour

When a student receives a detention, a “Corrective Action Notice” is sent home with the student and is to be signed by the parents. The next day the slip is returned and detention time is served.

Detention Policy—Detentions will be served before/after school hours. The days and times will be communicated in future correspondence. After five (5) detention hours the next infraction where detention time would have been administered, a one day suspension will rather be administered. After a student has accumulated 6 days of suspension it will then be recommended to the school board the student be expelled.

If the detention notice is not returned signed by the parent, or if the student fails to serve the detention, the detention time will be doubled.

Cheating—Cheating is a very serious offence at K.C.A. If a student is allowed to cheat he undermines his education and his character. Since we put high priority on both these issues, the policies concerning cheating are **strictly enforced!**

If cheating and/or 20 or more scoring violations are found in one PACE, a new PACE will be issued. However, a \$5.00 reissue charge will be billed to the student.

- 1st offence is punishable by (1) hour of detention
- 2nd offence is punishable by (3) day suspension (from school and school activities)
- 3rd offence brings expulsion from school.

## INCENTIVE PROGRAM

Merits—Demerits are earned by breaking rules. Consequences follow and it is hoped that the negative feedback will help students make better choices to avoid earning demerits.

On the other hand, MERITS are a positive incentive students can earn. Merits provide recognition and reward for good behavior and for demonstration of Godly character traits.
