Dear Vicar Davis and all the saints in Graham:

Greetings in the name of our great and wonderful Savior, Jesus Christ.

It is my great desire to be with you to celebrate the retirement of the congregation's debt. However, prior commitments in Houston will prevent me from being present in person. You will certainly be in my thoughts and prayers on Sunday, July 18, 2010. It is awesome to see how God provides gifts to his stewards and their response to his love with support for the ministry. It is wonderful that you were able to repay the debt in just three short years.

While the repayment of this debt is worth celebrating, there is another debt that we can never pay. Thanks be to God through Jesus Christ that our sin debt was paid in full on the cross. My prayer is that the burning of the note would set the congregation on fire to tell everyone in your community how great our God is and his great love for them.

Mercy unto you, and peace, and love, be multiplied.
