*"Choose today who you will serve,  
but as for me and my house, we  
will serve the Lord."*

*—Joshua 24:15—*

Four police officers attempt to put their faith in God after a sudden and unexpected tragedy transforms their lives forever. Produced by Sherwood Pictures, the Christian production company behind such popular films as FIREPROOF and FACING THE GIANTS, the movie COURAGEOUS follows dedicated cops Adam Mitchell and Nathan Hayes as they work with their partners to keep the streets safe. But when these devoted peacekeepers face the challenge of fatherhood, both their faith and devotion to family are put to the ultimate test. In the aftermath of a devastating calamity, they are faced with a difficult choice that will ultimately come to define their lives. Fortunately, a wise mentor appears to help them understand that man's ambition and God's will aren't always in perfect harmony.
