## Pastor Kevin's Korner. . . . .

Dear Church Family,

Our church is having dedication services Sunday, October 17th. The morning service will begin at 10 a.m. followed at noon with a dinner provided by ALL of our church members.

The church choir will provide a special dedication song and we will also have music from the quartet the "Evangeleers". The speaker at the dedication will be Rev. Raymond James of Tampa.

The program will include a brief history of the church, a summary of the building process, and recognition of the building committee .

The theme for the dedication service is "Lord prepare US and OUR Sanctuary". .

We are extremely blessed here at the First Baptist Church of Lake Josephine. God has formed us into people who love him, love each other, and are committed to doing his will. God, working through you, sustains a host of dynamic ministries that deepen our discipleship and calls our church family to follow Jesus. This day we will celebrate all of your dedication, unity, love and good works, and will ask our God and Savior Jesus Christ to be continually glorified in our sanctuary.

We have also been blessed with a wonderful physical facility. Our buildings have functioned as a place for worship and service to God for over 30 years.

Our vision was to renovate our facility which included a complete upgrade to our Sanctuary and furnishings. The Sanctuary upgrades included renewed pews, new carpet, stage appearance, new windows, new doors, new lights and chandeliers, upgrading the audio and video capabilities, and all new electrical and air conditioning.

Thank you for your generous support!

We all get heavier as we get older because there's a lot more information in our heads. So I'm not fat, I'm just really intelligent and my head couldn't hold any more so it started filling up the rest of me!

That's my story and I'm sticking to it!
