The refugee crisis continues.

This gives us the unique opportunity to share God's love! Please share this message with your church family tomorrow!

Last week, Larry and Pastor Zoltán visited refugee camps in Bosnia and Herzegovina.

[Click here to read his story.](#) Please print Larry's story and share it with your Sunday school class or maybe with a friend or coworker who needs to know the awesome work the Holy Spirit is doing around the world!

Refugees line up for dinner at the train station in Sarajevo. Would you like to share a warm dinner in Jesus' name?

Larry will be back in Illinois next week to attend the Great Rivers Region Annual Meeting. This is a great time to talk with him about joining us in partnership!
