Good afternoon everyone!

Well here we are!! 2017 what do you have in store for us? Weather wise it is white and wet, up and down and over all of the Northwest. I hope you all are getting where you need to be or just staying home, which is odd for some of us.

There was a great group out for the Children's skate this last Saturday! I think there were 3 churches that participated with one using it as an outreach opportunity. That is how we should be thinking about most of our events especially for kids and youth.

I will mention below a couple of movies coming to the theater(?) near us! I also receive on a regular basis from a faith based agency that looks for churches that would have the folks they assist to be in our churches. I usually do not send it along even but maybe you all would like to know about them? I would be willing to send the info on to any church that is interested. Maybe you get it already?

5<sup>th</sup> Sunday Sing is the 29<sup>th</sup>, see below for the usual information. If more info comes up you will be the first to know.

*Happy 2017!!!*

*Nancy*
