Happy New Year to you all. I hope you all have "resolved" to be even more Christ honoring this year.

I hope you all had great Christmas attendances at your programs and services.

Please let me know of anything you would like to have in the SBA Weekly News. This editor tries to make sure everything is published in a timely manner.

Does anyone like a puzzle? I have two more cabinets to put together for the office. It took Ken and I about two hours to get the one almost done. You would want to do it in the office, very heavy, and the sooner the better would be nice. You could get lunch for your considerable effort. I would so appreciate it.

Does anyone like to paint? One or two walls. The paint is not purchased as I'm waiting for the helper. Then the SBA office may look more like an office than a storage space. Call me so all that is needed to accomplish this task can be provided.

Give me a call at the cell number above. And Thank you for at least thinking of it.

The rest will be reminders and a couple of updates on prayer requests. Have a GREAT week!

FYI - Web Bible Study:

The Courage of My Faith- Relates to our Southern Baptist History and other topics of interest.

All materials (including slide shows, images, supporting documents, Bible studies, and short stories) related to this study can be downloaded and used **without a charge**. Support for this work is by donation only.

Twelve contemporary are issues examined in the context of Baptist history. The stories can also be downloaded in eBook form from their Overview pages.

Short stories from our Baptist history set the stage for Bible studies on issues as relevant today as they were then. You will be challenged and you will be surprised by what stands our forefathers took and by the impact they had.

Today, "denomination" has lost significance. "Christian" seems more appropriate as we seek to minimize differences. Yet looking at Baptist History, as in this study, teaches us something of what it means to be a Christian and the role Baptists had in making the world what is today. "Baptists are indeed a peculiar people."
