Lampman Road Information and Request for U-Turn for Christ:

Lampman Road has grown to the point that we have substantially outgrown our church.. We will soon be embarking on making some changes to our current building (increase sanctuary size, adding a bathroom, replacing the siding outside, etc.). This being said, the church can no longer accommodate U-Turn for Christ. So, U-Turn is in the process of looking to find some place to call home. The prayer is that we can find some place outside of town with acreage to move the ministry to. I'm putting this request out the members of the association hoping that someone has a piece of property that they would lease to us very cheap, and U-Turn could improve the condition over time (paint, minor repairs, etc.).

Women's Ministry/WMU Information:

Hi Ladies:

I received a call from Nancy Hall yesterday in regards to a meeting that is being planned for February 19 - 21. That is a Tuesday - Thursday beginning and ending at 2 PM.

It will be in Chehalis, WA. at the SAFE House.

We can have 3 ladies participate in this time of Idea exchanges and planning events for the future in the NWBC.

Would any of you be interested in being a part of this? I would be happy to drive but will not go alone....

I understand that all expenses will be paid except probably if we decide to spend the night coming or going. It is about a 6 hour journey from Grants Pass.

This will be sent to the Pastor wives E-mails as well.

Laura Harper, NWBC Women's Ministry/WMU Strategist, is very interested in our area taking a part in this.

Let me know ASAP if any of you or a lady in your church would be interested 541-659-7261

Thank you,
Nancy Goss
