Good afternoon everyone. What a blessing February is. A little glimpse of Spring! In our Ladies Bible Study at Dayspring, Grants Pass, we finished up studying the Ten Commandments. Isn't it so like God to spell everything out to us in such plain and simple language. How we, as sinners, work around His simple truth and figure every angle to not do what He wants us to. Guilty as charged I'm afraid. Confession is good for the soul, so keep up to date in that department. Thank you Jesus for giving your creation the ability to come to you broken and you make us whole again.

Next Executive Board Meeting will be April 22nd at Lozier Lane.

Lampman Road Information and Request for U-Turn for Christ:

Lampman Road has grown to the point that we have substantially outgrown our church.. We will soon be embarking on making some changes to our current building (increase sanctuary size, adding a bathroom, replacing the siding outside, etc.). This being said, the church can no longer accommodate U-Turn for Christ. So, U-Turn is in the process of looking to find some place to call home. The prayer is that we can find some place outside of town with acreage to move the ministry to. I'm putting this request out the members of the association hoping that someone has a piece of property that they would lease to us very cheap, and U-Turn could improve the condition over time (paint, minor repairs, etc.).
