Wow! How wonderful to be with you all today!

God is so very good. Listening to how he has worked in the lives of the folks in Oso and other nearby towns is proof that miracles are still being accomplished by our Lord and Savior. There are some fund raisers coming up for one of the families and information for giving to other groups as well. I will have that information included here. Also included with that is a list of prayer requests in regards to the disaster.

The Fifth Sunday Sing at Lozier Lane this last Sunday was as I understand it a record breaker. There was at least 205 folks jam packing the sanctuary. We had folks from infants to our veteran seniors. There was as always, great food and great music and great testimonies. Thank you to Lozier Lane for hosting this time of fellowship. Thank you to the fellowship Team for setting this up.

There is so much new information this week that if I forgot what you told me to have in the Newsletter and it is not to late please let me know.

*Nancy*

The small, close-knit communities of Oso and Darrington are still clinging to hope for a miracle. But as time ticks on and the death toll climbs, hope is harder to come by.

We are working with the Langton's close friends of Dwayne and Tammy Johnson, William and Brandie Woody and many who serve on the SOS Ministry Team (Lozier Lane Ministry) and have gone on Mexico Missions with this amazing young family.

From Gary Floyd (NWBC Region 2 Church Planting Catalyst & Disaster Relief Coordinator) -- please note the attachment from Pastor Gary Ray of Oso Chapel addressing the Disaster Relief efforts and their needs including information about a new church plant on Camano Island on Easter Sunday.

As you pray today continue to remember those impacted by the Oso Landslide including:
