Welcome to Siskiyou Baptist Association's Weekly News!

I know most of you have had your lives interrupted weekly for a few years by this publication. As time has gone on this has changed a couple of times. This is the time of year where our churches begin to look ahead to the New Year, which for most starts in October. We ask the question: How can our church be more effective for the cause of Christ this next year? In the same vein, if you have any suggestions for this weekly publication please let me know. I do take all suggestions and constructive thoughts.

Do you have folks who would like this weekly news? I have a couple that likes it in the print form so it is mailed once a month. If you get it once a month mailed to you and think the E-mail is sufficient please let me know as well. (It is mailed to the churches and pastors)

Are you a regular user of the SBA Web site? We get a few hundred hits in a 6 week period. Let me know again any suggestions or constructive thoughts there as well. Did you know you can have the calendar in the Web site connect with your Outlook calendar? It may work with others but I'm sure with the Outlook.

Thanks for your input.

Have a great day.

Nancy
