College Heights Baptist Church, Second floor.

E-mail: [office@siskiyoubaptist.org](mailto:office@siskiyoubaptist.org) Web: [www.siskiyoubaptist.org](http://www.siskiyoubaptist.org)

Hi everyone,

I love Spring, it shows God's sense of humor, His awesome creative powers and helps us to become more rubber band like (flexible).

What is your church doing for outreach, ministry, the homeless. The rest of us would like to know, for two reasons:

#1. For prayer support, #2. For rejoicing in the Glory of God that is shown through what you are doing.

So send me a short, 1/2 page, telling us what you are up to and where God is working in the life of your church. It will be posted in one of the Weekly New.

Just some reminders and Prayer updates today.

---

### Reminders of upcoming Current Calendar Information:

541-659-7261 or E-mail [office@siskiyoubaptist.org](mailto:office@siskiyoubaptist.org)

---

**Prayer Needs and Praises: Updates on a couple**  
**Let me know if your church has a prayer concern it will be posted here.**  
**Updates are a great thing.**

**Margaret Fry:** Dear Family and Friends--We just returned from the doctor's office and our decision is to have lung surgery on June 4th (happy birthday to me!!) at Mother Francis Hospital in Tyler. I was very impressed with Dr. James A. Caccitolo (Cardiothoracic Surgeon). There are several stages that he will work through during the one surgery. #1 he will take biopsies of the lymph nodes along the "wind pipe". #2 If those are clear, he will open my chest wall on my right side between my underarm and waist and biopsy several spots in my lower right lung. #3 If those are benign, then he will go to the upper right lobe and remove it as we know that is cancer. #4 If any of the other spots turn out to be cancer, then he will remove the right lung. If there is cancer in the lymph nodes #1, then he will stop there and I will go to an oncologist for radiation, chemo, or both. I should be in the hospital about a week and recovery will take about 6 weeks or so.

Ed's tests came back normal and the doctor told him to continue his antibiotics and he would order another set of blood tests in 4 to 6 weeks. He is doing very well right now.

☞ **From Josue' Delgado: To everyone who knows my wonderful wife Janet who just was commissioned by the Centurion Program. This is where The Chuck Colson center pick 100 candidates from across the United States and they get intensive training for about one year dealing with sharing the Christian world view. When I took the training it was more intense than any of my Master's Degrees.! Congratulations to Janet Delgado**

☞ **Children and Youth Team** as they plan Camp 2012. Lenny and Sherry Brewer are leading out in this.

☞ **Pray for these Pastors and their wives:**

Bob and Betty Batte, Prospect, Prospect

Ron and Jeanette Allen, Trinity, White City

☞ **Pray for all of our Pastor's and wives, Region 4 Team, Missionaries (IMB and NAMB) and NWBC staff** that they and we would ask God to empower us to point people to Jesus and not seek undue recognition for ourselves. Matt 5:16

☞ **Ezra Wells**, Ezra has gone to his home in Yakima as of 4/27. He is progressing very well.

**Have a great day,  
Nancy**
