Hi everyone!

Summer and Father's Day are hitting together this year. Happy Father's Day to all of you who are. I hope you will have a wonderful day!

Youth and Children leaders: There will be a meeting that will focus on camp - June 30th at 6:30 PM. 1501 S Ivy St, Medford 97501. Call Brandie for more information.

Thank you to our wonderful signers. They work this little chore into already busy schedules. Ross, William and Ron I do appreciate your assistance each month. Lenny and Sherry Brewer, Larry, and Bonnie you are appreciated as well!

Late June into July I will be in and out due to our kids coming and going for the summer. I'll get what I can done, but be aware that some weeks may not have a Weekly News.

Do you have special events you would like to encourage other folks to come to. Please get me your flyer, at least a week and a half ahead of the date, and I can send it out to the others.

My thoughts on our SBA Teams: We need more participation from 9 other churches

Please be thinking also in regards to the SBA Administration Team line up for 2015-16.

Guess what!! It is not too late to start thinking about the dreaded annual report. If you have planned a look at your membership or other items that are usually on the questionnaire now is the time to get it started. It only takes a few minutes if you are prepared. If you have a new clerk or you are the person responsible for the report and need some help to plan for this let me know and we can get together to work on it.

Have a wonderful day!

Nancy

May that knowledge bring peace. Pray for healing and remember to pray for the family members left behind when care is secured from far away." (Women on Mission Face Book)

A question I found somewhere. Something to think about:

Can you really be a Christian and not believe in the exclusivity of Salvation through Christ?

I can guess what many of our pastors would say but my concern is our Brothers and Sisters in the pews. Even in my church there are a few I know of that would have to answer that yes. More and more reports come out that say this is the norm in the pews. Sign of the times, or more of the same?
