- **Be in prayer for Bill Crews, for his health and his family.**
- **Be in prayer for Sara Wisdom, Retired Women's Strategist/WMU Director of the NWBC. For her health.**

Bruce Sloan report: Sara had a four-week follow up appointment for the injection she was given a month ago. It did not work. It was given to hopefully alleviate some of the pain she is experiencing and also hopefully help slow the growth of her cancer. She is still in a lot of pain and blood counts were rising rather than declining, which was a marker in determining its effectiveness. She will see her oncologist on Wednesday and the radiologist next Friday to discuss treatment options. Chemo (by infusion) may be recommended as well as radiation on some of the spots they have been watching and feel would be responsive to radiation. Chemo pills had been stopped in order to allow for the injection to work.

She continues to have physical therapy and uses a walker to get around in the facility where she now lives.

Sara sounds good and is very grateful for prayer support and encouragement she receives. She is also very grateful for the quick sale of her condo which closed Monday of last week.
- **For ministries throughout our SBA area that are reaching out to their greater community.**
- **For our churches that are struggling with both much and lack of growth and financial issues.**
