This came in last Wednesday Jan 15th. I'm sure each one still needs our prayers.
From the Foundation office this afternoon we have received two specific prayer requests listed below:

1. Just a note to let you know about a couple health matters and for you to please remember them in your prayers. Tom (Hixon) has been diagnosed with shingles. It is on his head and because it has spread to his left eyebrow and the inside portion of the bridge of his nose, he is also under the care of an ophthalmologist. As of last night, the virus was not in his eyeball but they are monitoring him carefully.
2. Our new board member, Wayne Logan, has suffered a heart attack while in Palm Springs, CA and is undergoing bypass surgery. Thank you for your prayers!
3. In addition, Bruce Sloan shares that Todd Young, Pastor, Skyline Baptist Church (Salem, OR) had surgery yesterday to remove his gall bladder at the Salem General Hospital. He is home resting, and the surgery was a great success and Todd appreciates our prayers for his recovery.
4. Dale Jenkins, Pastor, Airway Heights Baptist Church of Airway Heights, WA (and NWBC President), had hernia surgery yesterday. Please pray for him and his recovery.

PTL! We were praying for Rick and Ann Hahn's son, Mark who was having seizures.
We are so thankful for your prayers, cards, balloons, stuffed animals, hospital survival kit (coffee cards, granola bars, etc.), and time with friends. Thank you for your visits and encouragement.

We are thankful for our daughter, son-in-law and grandson for coming down and spending the toughest time guiding and encouraging us through decisions hopefully that we will never have to make again.

We appreciate the staff at Mercy Medical for their care for our son and us! We are thankful for the knowledge and wisdom that God provided to the doctors and nurses and CNA's. We thank the housekeepers who keep the infection risks in the hospital at bay. The speech therapist, nutritionist, the kitchen staff and the Court Yard coffee stand.

BUT MOST OF ALL THANK YOU FOR YOUR FAITHFULNESS IN PRAYER!

We still have some obstacles with Mark's new medicine, diet, etc. And we truly realize how fragile and precious life can be and we welcome your continued prayers for God's wisdom as we move forward with Mark.

FYI -- Rick is Associate Pastor of Vine Street Baptist Church in Roseburg and a faithful friend to many within Southwest Oregon Baptist Association and the Northwest Baptist Convention.
