

Hi everyone,

This will not have any attachments. I just wanted to give you some updates and dates coming up.

Mexico Mission Trip was a great one from William Woody. Many opportunities were found to minister in beyond what was planned. 2 houses and a roof were completed. Lives were changed and many were blessed with the food buckets and clothing that was taken or purchased with funds given for that purpose.

This next week is Children/Youth Camp - Be in prayer for the Team of leaders and workers as they minister to 170 some folks and kids. Lenny and Sherry are the directors. If you have any questions please call them at 541-582-1617.

Prayer Requests are the same as far as I know, so check the web site for that.

The Woody's are looking to borrow a tent trailer or camping trailer for a week in the near future. If you can help them out please call them at: 541-787-0791

Ron and Jeanette Allen are first time grandparents to a girl born to their eldest daughter, Alexa. Sawyer Olivia 7lbs. 15 oz.

I am now free to resume my regularly sponsored schedule. I am a bit out of the loop it will soon be remedied.

Anyone in SBA land know of a reputable computer person that will help me get back on the office computer. They would have to connect with my husband to know what he did. It has been to long and I really need to have it back. Give me a call with the information: 541-659-7261

Remember to pray for each pastor and church as we all have needs and situation in our personal and church lives.

Be blessed!
