Hi everyone!

Just wanted to let you know that the SBA is still here and functioning. I have had and will for at least another week our younger granddaughter here. That means two young girls needing attention, been good for all of us trying to include a 6 year old into already established routines.

With that said again if you need anything or want something in the Weekly News or out on a separate E-mail it will be done. The E-mail and Facebook are both being watched daily. My cell phone is available as well.

So the reports I have from the events the last of June were all positive.

Ken and I got to go to the 5th Sunday Sing and were blessed with the fellowship and great food. There were 8 churches there with about 60 folks attending. When I have time in the near future I will put photos on the web page for you to check out.

I have not heard any VBS reports but I do know that even if it seems like a lot of work was done for 'nothing' God works in the lives of those children and parents and it is miraculous! On Facebook LifeWay had some interesting articles on this topic.

The Grace Youth on Missions Team had a successful trip to San Francisco as well.

I want to apologize for missing a couple of birthdays. Hope your day was a blessing!

Please see below in the calendar info for Camp notes (VERY IMPORTANT)

Have a great day,

Nancy
