Hello there.

September the 11th will never be the same. Every American was touched in some manner. Those who lost their life on that day, their families, the first responders, those in NY city, at the Pentagon, in the field in PA at the time, those watching it on TV in unbelief, families who lost family members to the ensuing war in Iraq and Afghanistan, those who came home never to be the same. It is a bit overwhelming until you add in an all merciful and powerful God who was in every situation and heard every prayer, even today, of those who were so directly affected.

He is here and He is not silent, listen!
