

Dear Region 4 & 5 Pastors, Staff and Lay Leaders,

Our Regional Team is excited about hosting our Leadership Development Conference **Saturday, September 10, 2011**. Our theme is ***Pathways: Passages to Dynamic Leadership***. The location will be **Vine Street Baptist Church in Roseburg, OR (2152 NE Vine Street)**. The **cost** will be **\$10/person** if preregistered by Friday, September 7 (**cost at the door will be \$15/person**) lunch included.

The target group for this conference is Pastors, Associate Staff and Lay Leaders. Lay Leaders might include Leadership Team Members, Small Group Bible Study Leaders, Deacons, Elders or Age Group Leaders. Our desire is that this conference would be a spring board for further ongoing leadership development in your church. We realize that effective leaders with God's direction build healthy churches.

The conference will feature **Gabe Kolstad, Lead Pastor for Westside Community Church in Beaverton, OR**. God is using Gabe to grow a thriving and vibrant church west of Portland. Gabe will have the opportunity to speak twice and lead a breakout group in the AM. The conference will also offer **three one hour breakout sessions** with several topics to choose from. Topics range from **assimilation, church planting, worship, community awareness, evangelism, building a team, preventing burnout, and others**.

Our hope is that pastors will bring as many of their staff and leaders as possible. **To register, please contact Lola Bowen at our NWBC office. Her contact information is [lbowen@nwbaptist.org](mailto:lbowen@nwbaptist.org) or call at 360.882.2100.**
