

2018 Soda Lake Annual Meeting

Monday, October 15
6:30 p.m.
Mobberly Marshall

Join us for the 168th Meeting of our Association. Come view the amazing renovation of the former Bel Air facilities now occupied by the Mobberly Marshall congregation. This year's schedule has been revamped and shortened with us concluding by 8:00 p.m. We will have enthusiastic congregational music led by Mobberly's worship team, followed by the Annual Message brought by Robert Prothro. There will be the usual business to attend to, of course. You will also want to hear the good reports of our ministry partners. Everyone is welcome to attend. You do not have to be an elected messenger.

Churches Should Elect Messengers

"Messengers" are members of local churches who are selected to attend the Annual Meeting. Messengers participate in the decisions and business presented during the Annual Meeting. They do not represent their congregation, but individually vote their convictions on any matter brought before the Annual Meeting. According to our By-Laws, Article II, section 3, "each church shall be entitled to two (2) messengers and one(1) an additional messenger for each fifty (50) members above fifty, provided that no church shall be entitled to no more than twenty (20) messengers. We hope each of our churches will elect all the messengers they are entitled to have to attend this year's meeting.

James Runnels 10th Anniversary

Crossroads recently recognized their Worship and Education Minister, James Runnels, for his ten years of service to the congregation. They presented to James his lifelong dream to own a new Gibson "Les Paul" guitar. We join with Crossroads in thanking James for his faithful assistance in various ways in the Association, primarily as a long-term trustee of Lakeview assembly.
