

October 2013

Dear Church Family,

We are having a wonderful time in AWANA this year! Children are excited and the workers have arranged some great activities for the different groups. I love hearing the Word of God taught in each classroom on Sunday night, and the games are a sight to see. Some children get a little competitive.

More importantly children are making decisions for Christ. Some to renew their commitment to Him and some to trust Him as Savior for the first time. What a blessing it is! This is what AWANA is all about. In fact, this is what the church is all about. Lord, may many come to know you through the work of our church.

We are in need of people to serve on a youth committee to help hire and then support a youth pastor. Please contact me if you feel lead to serve in this area. This is a vital need of the church.

Plan to be with us on Sundays as we finish up our sermon series. Only a few more weeks to go.

Thank you and God bless.
