Supper Following Program

Dear Church Family,

Vacation Bible School is a week of opportunities. Opportunities to learn, make friends, have fun and to serve others. It is my prayer that this week will bring honor and glory to Jesus as we teach His Word and show His love to others. I encourage you to come, invite others and bring your family, friends and neighbors to experience this special week with us. My prayer is that we will have amazing numbers of participants this year in VBS, with many giving their hearts to Jesus and a host of baptisms into our fellowship.

We have a class for every age group, from birth to senior adults. We are one of the few churches that have classes for everyone. I truly love the week of VBS at Pine Level! You will too, if you give it a try! VBS is the greatest week of outreach in the life of the church year. Get involved in service or in a class and let God bless you as we worship Him all week long!

You can preregister online by going to www.pinelevelbaptist.org and click on links, then choose VBS registration and register. Info from last year will pull over to make registration easier for you.

Will you help make this VBS special? I pray that you will! The theme this year is ***Game On*** — ***Gearing up for Life's big Game!*** Let's ***Gear Up, Get Ready and Get in the Game*** together at VBS!

There is a place for you to serve in VBS, please contact Lynn Arline or call the church office to find your place of service!

Excitedly,

Children must be valued as our most priceless possession. James C. Dobson
