Pastor's Points

Dear Church Family,

Happy Valentines Day! February is the month of celebrating love. Love is the gift of God, the gift of His unconditional love displayed on the cross of Calvary. That lets us experience the greatest love the world has ever known! We as believers have experienced that love and should strive to show that love to others. Love is not an emotion or feeling, it is a commitment! Four unique forms of love are found in the Bible. They are communicated through four Greek words: Eros, Storge, Philia, and Agape. These different types of love are characterized by romantic love, family love, brotherly love, and God's divine love. **And now these three remain: faith, hope and love. But the greatest of these is love.** 1 Corinthians 13:13 God is love and He has challenged us to love Him with all of our being and our neighbors as ourselves! So be like God and love!

We have William Hurst, a prospective youth minister candidate coming to share with the youth on Wednesday, February 21st and with church on Sunday, February 25th. We will possibly have a meet and greet Saturday evening in the fellowship hall. Please be in prayer. William was reared in Cairo and went to school with several of you and has many relatives in our community. He is married to Lesley and they have four children. Pray that we get God's man for this ministry. The search committee is unanimous in presenting William for your consideration.

We have a need of a small van (no CDL required) to replace the old gray van. The cost will be around \$30,000.00. Our desire is to raise the funds before purchase as to keep from paying any finance charges on the vehicle. We intend to start a bus ministry with this vehicle to pickup kids for church services as well use it for children, youth and adult ministries. If 60 people would give \$500 that would with other gifts enable us to purchase the van.

Expectantly,

Give, and it will be given to you: good measure, pressed down, shaken together, and running over will be put into your bosom. For with the same measure that you use, it will be measured back to you. Luke 6:38

Bro. Jim

Music Notes

So, I asked the Choir members, "What do I get from being a part of the Pine Level Baptist Adult Choir?" Each month, I want to share what they say with you. Maybe it will speak to you and you will want to come and be a part!! Out of the mouths of choir members.....

Ricky Powe said, "The joy of being a part of a group of people that love to share the love of God through song. And the love that we have for each other that's in the choir."

Lisa Hollingsworth said, "A church choir is becoming a thing of the past as many churches are opting for only a band. I am so glad that PLBC has both as it gives more people an opportunity to participate in praise to Jesus. There is something about singing with others that gives you joy and a confidence in knowing we are all unified in our worship to the one true God." We are saving a seat for you!

Singing His Praises!
