Dear Bro. Jim and Church Family,

Words cannot adequately express what it means to me to be a part of such a wonderful church family. Since we had been unable to attend any church services for quite some time, I really didn't think many people would remember who we were. To say that I was overwhelmed by the outpouring of love and generosity from the Pine Level community is an understatement. Thank you for the love, prayers, visits, flowers, food, memorials and everything else you did to acknowledge Clinton's life and make this time easier for us. Clinton was always proud to belong to this community and this church, and he especially loved his Friendship Sunday School class.

*With much love and gratitude,
June Whigham and Family*
