- I. Foundations are important
- II. The right foundation
- III. The right foundation is still relevant and crucial

“Luther placed primary emphasis on the Word. He understood that scripture is the final authoritative source for the church's life and doctrine. Everything the church says or does is to be consistent with God's Word and is to be regulated by God's Word. God has spoken, His Word is truth, and it is the church's responsibility to regulate her speech in the light of God's speech. That is what continual reformation is.” *Rev. Michael Stangeland, pastor at Highwater Lutheran Church, Lambertson, Minnesota, and Old Westbrook Lutheran Church, Westbrook, Minnesota – A Life Quote from Lutherans For Life •*
