ANNOUNCEMENTS

Thank you to our Midweek students for their participation in the service as they “signed” during the hymn, *A Mighty Fortress*.

The Building Committee will be meeting in the fellowship hall this Tuesday evening at 7:30 p.m. Larry Dixson, our architect, will be meeting with us to answer questions along with helping us to find ways to cut some of the costs of the new church building. If you have questions for the Building Committee or the architect, please make plans to attend.

As you arrive for services, please keep in mind that the Sunday School and Bible Classes meet until 10:15 a.m. The members of these classes ask that you please keep your voices lowered as we finish our materials and close the classes with prayer. Thank you for your consideration.
