### ***SUNDAY SCHOOL ACTIVITIES***

*Our Sunday School leadership is gearing up for a new year of Sunday School sponsored activities and we want to be ready to help with these activities whenever we can. Let's work on making our Sunday School a vibrant part of life at St. Peter again.*

*First will be the Black Friday Babysitting Opportunity. Details are on the insert.*

*And check the insert carefully for times and activities associated with the Christmas Eve Children's Program. Sunday School and Midweek children will be leading us in worship!*

We thank you for your service!
