Faith@Home, A Series of Services for Every Family

Beginning **Next Sunday**, join us as we celebrate the role of the home as the primary agency of faith formation in a series of four worship services called **Faith@Home**. Each service in the four-part series focuses on different ways in which the home serves the family of faith. Service One in the series highlights the ways in which the home can serve as a seminary, providing spiritual training that no other institution can match. Through words of Scripture, an inspiring sermon and thematic hymns, this service reminds us that the home has the opportunity to make a deeper and longer-lasting spiritual impression than almost any other organization in the world.
