ANNOUNCEMENTS

We will be spreading Christmas joy through the gift of song on Saturday, December 11 at 3:30 p.m. We will be visiting shut-ins, Bellmire & other friends. Following the caroling, we will meet back at the Fellowship Hall for a light supper & hot chocolate. Come join us and be a bright, cheery beacon of the hope of Jesus as we sing carols throughout Bowie!

The Children's Christmas Eve Program practices will be held in December during the Sunday School hour. If your child plans on being in the program, please be sure they attend each practice. The Children's Christmas Eve Program will be December 24 at 7:00 p.m.

Gary & Sharon Rainwater request your prayers for God's blessings on the upcoming marriage of Titian Rainwater to Codi Nelson on December 5. We praise God for His blessings for a joyous celebration and a life full of love, joy and peace!

We will be forming an Evangelism Committee to begin working in January of the new year. If you would be interested in meeting regularly and discussing ways of reaching out to our community please consider joining us. It will be an informal group and all ideas and options will be discussed. From special events and festivals around holidays to sponsoring programs such as ESL or First Aid classes...we have a clear slate to work with and we need your ideas. By meeting on a regular basis the ideas will remain fresh and not be lost in the cracks. This will also give us an opportunity to assist with programs that are already in place such a Midweek School, Vacation Bible School and the Christmas program. Jump in and get involved. The date of our first meeting will be announced at a later date but don't wait to start thinking of things to do and people who would be assets to this committee and the activities that the committee puts together. *-Pastor Knobloch*

The area Thrivent chapter is sponsoring a special luncheon following morning worship next Sunday, December 5, for the members of St Peter Lutheran in appreciation for all of their support in community projects over the years.

A chapter representative will be here to share with us information as to how our chapter funds have been used in the Care Abounds in Communities program and how they have been especially used in the Bowie area. He will also have information on how Thrivent members who are eligible for Choice Dollars can direct their funds to particular projects.

There will also be a special presentation to Kate Lee for all of her work as our congregational rep.

All members are invited for this time of food and fellowship. Thrivent will be providing all of the food so members are not being asked to bring anything but their appetites.
