

Christmas Eve Program

Thank you to our children, young people, and all who worked so hard to give us a beautiful worship experience as we again celebrated the birth of our Lord. We apologize for any name errors or omissions that may have occurred in listing the participants in the bulletin. May the joy expressed stay with us throughout the new year

GREETERS STILL NEEDED

Thanks to all who heard our cry for Greeters! But there are still empty slots to fill – some whole months and some that just need a second person. Lets fill the sign-up sheet!

2015 Calendars

The Youth Group is once again selling calendars for the new year. Please see the display in the Sunday School Hallway

THANK YOU.....

From Lutheran Social Services for our participation in the Angel Tree Program. The number of children helped by LSS is well over 5000 in the DFW area, and more if we factor in North Texas. It is the largest provider of children's services in the state, providing foster care and relief from abuse and neglect. Thank you for making Christmas a little more joyous for some of these little ones.
