Patience is not the ability to wait. Patience is to be calm no matter what happens, constantly take action to turn it into positive growth opportunities, and have faith to believe that it will all work out in the end while you are waiting.”

“So marriage is a profoundly unique thing that is strengthened by years of shared experiences, trials, triumphs, challenges, and victories. The oneness of marriage is why Grandpa can start a sentence and Grandma can finish it. It’s why when she cries, he tastes the salt. It’s her knowing what’s wrong without him speaking a word. It’s two lives becoming one. It takes time, effort, sweat, and tenacity. But the rewards are like none other on earth.” *Rev. Daniel Domke, Mount Calvary Lutheran Church, Huron, South Dakota - A Life Quote from Lutherans For Life • www.lutheransforlife.org*

DON'T FORGET

Our church van is out every Sunday am picking up for Sunday School. If you know of someone who needs a ride let us know.

PLEASE

We have become lax in filling out the attendance pads located in each pew. These are really needed to get an accurate attendance record. Please pass the pads down the row and leave at the end. Thank you.

Too Many Choices?

Deuteronomy 30:15-20

- I. God commands us to make just one choice: life, through obedience to His commands.
- II. And He makes that one choice for us by “circumcising our hearts.”
- III. Therefore, His means, not our choice, do enable us to live faithfully in obedience to Him.
