What dwells and develops in pregnant wombs is no clump of cells, product of conception, parasite, piece of mother's body, or potential anything. This little one is a full-fledged human being, made in the image of God and saved by the incarnation of Jesus Christ, to whom the Holy Spirit shows grace and in whom He creates faith. She is our neighbor and, God willing, His beloved child—a dear sister to us.” *Rev. Michael W. Salemink, executive director of Lutherans For Life - A Life Quote from Lutherans For Life • www.lutheransforlife.org*
