Dedication of our New Church Building

We are working on a special memorial book and memory book to honor loved ones and need the names of friends, former members and extended family members of our congregation that would be interested in contributing a memory or a memorial. We would like all the information possible to make the book a rich history of St. Peter. Please place any names and addresses in the basket on top of the organ, drop them by the church office or e-mail them to stpeterexscty@att.net.

Construction Safety

The steel framing for our new church building is being assembled. Our contractor has asked that until construction is finished we refrain from walking on the slab for safety reasons. We are invited and encouraged to observe, take pictures, etc. from the back door of the Fellowship Hall or from outside of the fence, as long we keep off of the slab. Although everything should be secure prior to them leaving each work day, it is still considered a construction zone and safety precautions need to be observed.
