Faith does not eliminate questions.
But faith knows where to take them.

“No man, great or small, is a self-made individual. And no nation can make itself great. Nations and individuals depend on both the grace of God and His mysterious purposes in history. If any nation wishes to become great, it must bend to protect the least of its irreplaceable citizens, starting in the womb.” *James M. Kushiner, The Fellowship of St. James – A Life Quote from Lutherans For Life • www.lutheransforlife.org*
