**Taveta Fall Trip – Nov. 8-18**

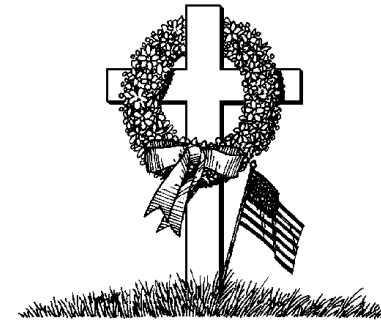

There is still time to get an application in to go to Kenya and help run an eyeglass clinic and share the Gospel. If you are on the fence about whether or not this short-term mission trip is right for you, speak to your Pastor.

**Construction Safety**

Our contractor has asked and reminded us again that although things are progressing well on our new sanctuary and classrooms, it is still considered a construction area. He is concerned about our safety and asks that if we would like to tour the building during construction that we schedule it with Greg, the site supervisor. For safety reasons closed toed shoes are required.

**Memory Book**

Thanks to everyone who contributed names and addresses of former members and extended family. In June we mailed 180 letters to former and present members and have begun receiving responses. We really need memories from present members to make our Memory Book complete. Whether your memories go back 80 years or 6 months they will all add to our history. This is the 118<sup>th</sup> year for the St. Peter Congregation. What a blessing to celebrate with the dedication of a new building. Help us celebrate our rich heritage with your memories of times past here.
