Construction Safety

Our contractor has asked and reminded us again that although things are progressing well on our new sanctuary and classrooms, it is still considered a construction area. He is concerned about our safety and asks that if we would like to tour the building during construction that we schedule it with Greg, the site supervisor. For safety reasons, a hard hat and closed toed shoes are required.

Quiet Bags

St. Peter is collecting items for "Quiet Bags" for young children to use during worship. If you have new or gently used items you would like to donate, please bring them by the church office or place them in the box at the church. Suggested items: small children's books (board, felt, etc.), coloring/fun pages, stickers, or any small toy/animal that may be able to keep a child quietly occupied. Thank you!
