The *LWML* monthly meeting is rescheduled for this Tuesday at 7:00 p.m. due to a power outage last week. Come join us!

September 9th has been set for our Sunday School Rally Day! Although our new worship facility is still under construction, it is important that we promote our children into their new Sunday School grades. Since we do not have the room for a “fun” day as we have had over the past few years, we will be scheduling a “fun” day for later in the year after construction is completed. If you are a Sunday School teacher, student or parent of a student, we ask that you be in attendance so that we can recognize you on this special day as we promote Christian Education in our congregation.

Quiet Bags are available by the bookshelf. Please return them at the end of the service.

Spiritual Growth - We develop the character of Christ through bearing with one another in the body of Christ.

Be completely humble and gentle; be patient, bearing with one another in love. [Ephesians 4:2 NIV](#)

**Vision for Kenya / Red River Circuit
Taveta Fall Trip Nov. 8-18**

There is still time to get an application in to go to Kenya and help run an eyeglass clinic and share the Gospel. If you are on fence about whether or not this short-term mission trip is right for you, speak to your Pastor.

Construction Safety

Our contractor has asked and reminded us again that although things are progressing well on our new sanctuary and classrooms, it is still considered a construction area. He is concerned about our safety and asks that if we would like to tour the building during construction that we schedule it with Greg, the site supervisor. For safety reasons closed toed shoes are required.

Memory Book

Thanks to everyone who contributed names and addresses of former members and extended family. In June we mailed 180 letters to former and present members and have begun receiving responses. We really need memories from present members to make our Memory Book complete. Whether your memories go back 80 years or 6 months they will all add to our history. This is the 118th year for the St. Peter Congregation. What a blessing to celebrate with the dedication of a new building. Help us celebrate our rich heritage with your memories of times past here.
