The Baptism of our Lord – Imagine your underwater life before birth. Surrounded by amniotic fluid, protected in the womb, nourished by your umbilical cord—nothing can touch your life without passing through these. That describes well your new life in Christ. You live under the water of your baptism. You live surrounded and protected by God’s grace and nourished through His Word and Sacraments. Nothing can touch your life without passing through these. Prayer: Father, thank You for calling us in our baptisms and surrounding us with Your grace. Amen.www.lutheransforlife.org
