Sixth Sunday after the Epiphany – Choosing life (Deuteronomy 30:19), whether when faced with an unplanned pregnancy or with the temptation to end a life prematurely by removing treatment, does not flow from some moral or societal obligation. For the Christian, it flows from trust in God as the God of our salvation who will not forsake His saved ones. Prayer: Father, forgive our lack of trust and turning to death to rescue us from our problems. Restore in us a trust in You who revealed Your love for us through Jesus. Amen. www.lutheransforlife.org
