“Marriage, from a biblical worldview, is the practice of generational faithfulness. It is the union of one man and one woman with all that they uniquely bring into partnership for the benefit of family and community.”

Seventh Sunday after the Epiphany – Although righteous anger may be appropriate, it is amazing how such anger is sometimes channeled by “pro-life” folks through hatred and malice toward those who oppose us. That is not the way of Jesus. “But I say to you, Love your enemies and pray for those who persecute you” (Matthew 5:44). Prayer: Lord Jesus, help us love our enemies as You loved us and gave Yourself for us when we were Your enemies because of sin. Amen.

We've Got Heart

Congregational Visit On Sunday, March 9th, at 4:00 p.m., Texas District Vice President Area A, Rev. Dale Snyder will be visiting our congregation as part of Synodical President Rev. Matthew Harrison's visitation emphasis expressed at the 2013 Synodical Convention.

Every congregation is to be visited once every three years and Rev. Snyder will be here to make that visit. During his visit he will answer any questions or concerns that we may have with things happening in our Synod as well as anything else that we would like to talk about. He will have some questions such as how we see the health of our congregation, our relationship between pastor and congregation and how we view our outreach in the community and the direction of our ministry at St Peter.

Pastor Snyder will arrive at 4:00 p.m. and the questions and answer session will begin in the sanctuary. The visitation will end at 6:00 p.m. or whenever all of the questions have been answered. The visitation will be followed by a light meal in the fellowship hall.

These visits are for us and to assist us in Christ's Great Commission. Please make every effort to attend, especially if you have a question or concern about anything in our church body; either at the local or the synodical level.
