Being a Faithful Steward – Week Three Biblical Principles Regarding Our Giving – Part One Various Scriptures

This morning, we're going to discover and discuss the first five of ten biblical principles we must understand when it comes to the use of our money for the sake of Christ and His Kingdom...

- I. We must understand that God _____ everything.
- II. We must understand that giving is an _____ of worship.
- III. We must understand that giving _____ faith in God's provision.
- IV. We must understand that giving should be _____ and _____.
- V. We must understand that giving _____ spiritual trustworthiness.

This morning, are you using your money as a tool to advance Christ's Gospel and expand Christ's Kingdom, or are you using your money as a tool to advance your self and expand your kingdom? Don't allow yourself to be deceived this morning. Realize and understand that we are but stewards of the resources God has chosen to give us. Therefore, may we use our resources wisely, giving generously to the work of God through the local church, trusting Him to provide our needs. Let's stop living selfishly and start living selflessly.
