## Being a Faithful Steward – Week One Using Our Time Wisely – Part One Various Scriptures

This morning, we're going to discover and discuss the first five of ten reasons why we should use our time wisely...

- I. We should use our time wisely because the days are \_\_\_\_\_.
- II. We should use our time wisely because time prepares us for \_\_\_\_\_.
- III. We should use our time wisely because time is \_\_\_\_\_.
- IV. We should use our time wisely because time is \_\_\_\_\_.
- V. We should use our time wisely because time is \_\_\_\_\_.

This morning, may we evaluate our lives and see if we're being faithful stewards of our time. May we closely examine those things that take our time and see if they're things that can be used for the purpose of godliness. And if we find that they're not, let's resolve in our hearts to change them. May we commit ourselves to using our time wisely, making the most of every moment we're given and using our time for the purpose of godliness.
