A Study of the Ten Commandments

Week One

The Intention of the Law

Exodus 20:1-21

This morning, there are two things I want to point out regarding the Law...

- I. The _____ of the Law
- II. The _____ of the Law

This morning, understand that the Law was not given as a means of regeneration, justification, or salvation, for only faith in Christ can produce those things. No, the Law was given to reveal our sinfulness and need for God and His forgiveness and grace. And though, in Christ, we're no longer under the Law's supervision, we're still expected to uphold it as God's people. That is, we're expected to be responsible in the freedom we have in Christ, living lives of obedience to God's Word, not indulging in the sinful nature. Christ did not set us free to live in indulgence; He set us free to live in obedience. Trust Christ today and enjoy the freedom only He can give. Then live responsibly, obeying His Word to His glory.
