## Rules in the Rock Series

**A Study of the Ten Commandments—Week Nine**  
**The Institution of the Law—Part Six**  
**Exodus 20:13**

This morning, we're going to continue our examination of the Ten Commandments by discussing the sixth commandment...

VI. \_\_\_\_\_ human life (v. 13)

There are two ways murder is expressed and should be avoided...

A. \_\_\_\_\_.

B. \_\_\_\_\_.

This morning, understand the importance of protecting and preserving human life. Understand that protecting and preserving human life is the responsibility of every member of society, not just the public officials. Therefore, commit yourself to actively obey this sixth commandment and honor human life. Don't murder others with your words and actions. Instead, respect others and love them the way Christ loves you—unconditionally, sacrificially, and completely.
