

LIVING WORD LUTHERAN CHURCH
YOUTH CHRISTIAN EDUCATION COMMITTEE MEETING

February, 17 2021

Members present: Cindy Forbrook, Allison Beach, Susan Polson, Carolyn Brewster

The meeting was opened with a prayer by Allison.

Our new Council Liaison, Carolyn Brewster, was introduced and she gave us her contact information: Phone 651-398-7230; Email brewsterjc@yahoo.com.

FINANCIAL REPORT:

Allison reviewed the January expenditures. Supplies for Kid's corner were ordered for January – March for \$43.42. Allison will add the financial report to the agenda going forward.

Old Business

Annual meeting

Our budget was approved for \$1500. Carolyn Brewster was assigned as our Council Liaison.

New Committee Members

We are still looking for at least one more committee member. Allison will check with Chelsea Nelson and if she isn't available then Nettie E.

New Business

Council Liaison

Carolyn reviewed the council's needs for meeting certain deadlines and explained that she would help us keep up with those dates and bring us information from the council.

Kids Corner

Allison's order for Jan-March will supply 12 bags per month. It was decided that we would bump that up to 24 per month for April -June and advertise them for pickup. Cindy will take over ordering the supplies for Kid's corner.

Lenten Services

It was discussed whether we would try to include Youth in the Lenten services as we have in the past. Since we have a shortage of Youth in that age group and they aren't earning money for youth trips, we decided to not organize anything this year.

VBS

VBS is still being planned on for Aug 6-8th. All supplies have been ordered and received so it would just require organization of volunteers and food. We will monitor the COVID situation as we get closer to figure out the logistics.

NEXT MEETING:

Wednesday, March 17, 5:30 – 6:30 pm at LWLC. We are moving it ½ hour later to accommodate Lenten Services

The meeting was adjourned with the Lord's Prayer.

Respectfully Submitted,

Susan Polson, Secretary
