

MINUTES

Property Committee 11/19/114

Members Present: Bill Finley, Curt Kreklau, Council Liaison Brad Forbrook

New Member: Dave Kaiser - Dave has volunteered to serve on the committee to replace Brad Forbrook

Committee Advisor: Dave Benson

Dave Benson opened the meeting with prayer.

The following actions were taken:

A motion was made to approve an application for use of the church for Girl Scout meetings on the last Tuesday of the month from 430 to 600PM. After discussion, the application was approved subject to absence of conflicting uses and means to have access to building. Curt will check on these items.

Brad indicated that our budget would be constrained this year.

We discussed moving some of the things inside of our storage room to the garage as soon as it is ready. Trailer needs to be emptied and light fixed before we can use it to retrieve items from the Habitat for Humanity warehouse and move our things. Curt will check with Paulette and Cindy about what can be moved and when.

Discussed long term planning for the undeveloped part of our property. Brad will ask council if they wish to form a task force to do this planning,

respectfully submitted,

Curt Kreklau
