Sunday School

Pastor AJ met briefly with the Jr/Sr study class.

Sunday School class had a delayed start on Sunday due to an emergency health issue. The new program will be good. It will be flexible so all lessons will be finished.

The Christmas program is scheduled for December 16.

Jan F will be meeting with Laurie Kluver to review the duties of the Youth and Family Ministry Committee and of the Christian Education Committee, looking for any overlapping duties of the two committees. Also looking for things the two committees can do together and making sure all duties are being done.

2013 Budget

Jan presented a 2013 budget proposal for the Christian Education Committee. Some adjustments were made to the proposal at the meeting and Jan will send a copy of that proposal by email to each of the members of the committee to review and to suggest other changes needed. It will be finalized at our meeting in October.
