The meeting was opened with devotions by Kristi.

The minutes were reviewed from the last meeting.

Jan reviewed current expenses/bills:

Senior Recognition Sunday – Cake - \$21.99

### Adult Bible Studies

The Tuesday morning bible study is based on I Peter.

We would like to have a fellowship activity/event for young adults. Jan and Tonia will visit with Laurie about coordinating this event with Youth and Family Ministry.

### Senior Recognition Sunday

We recognized three high school seniors on June 3, 2012. The seniors were each presented with a quilt made by members of Living Word Lutheran Church. Kay E. and David A. took pictures so we will get those pictures in the newsletter.

### Sunday School

We discussed the curriculum for Fall. We will research the materials available, such as those from Sola, Concordia, and Standard publishing companies. We discussed having a bible study or book study for the older students.

### Vacation Bible School

Vacation Bible School will be held from August 5 – 8, 2012 at New Life Church. Last year the Evangelism Committee helped with advertising and the kickoff event so we will check with them for help again this year. There are sign-up sheets for staff and registration forms in the newsletter, at the Welcome Table, and the church office. Laurie will check with the Covenant Church about sharing materials as they are using the same program as we are.

### Other Discussion

We will put the recent Christian Education survey results in the newsletter. We will gather a list of resources for bible studies so we have it for future use.

The next meeting will be held on July 10, 2012 at 6:30 P.M. Jan will give devotions.
